DMP:

In that bag of receipts and letters that EAG gave you (she originally intended to give it to Kurt Reed, I believe), is the following W. E. Kirby receipt (see attached xerox copy).

I notice that W. E. Kirby did "All kinds of Picture Framing" and that it was "done to order."

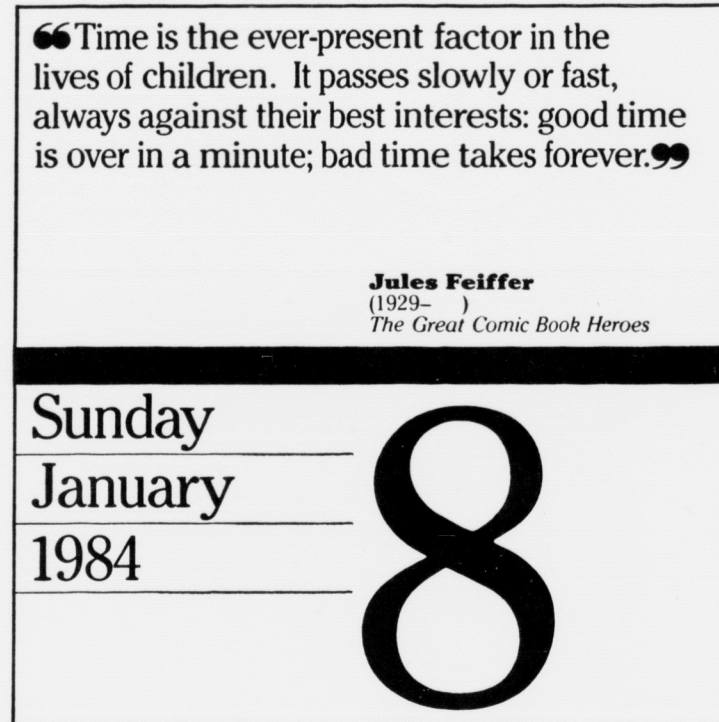

Do you want the original receipt???

Received yours of January 5th on January 7th. The McNerney albums will follow shortly ("shorty" should, of course, read "shortly").

Regards,

SRP

I wonder how
mini carbon
will microfilm?
It appears to
be dark enough
to work OK.

Before the 11 AM service began I went over and inquired of Eleanor Rude as to the health of her mother -- who is hospitalized. I learned that she had a stroke and is partially paralyzed on the left (?) side. She apparently has a brain tumor as well. Eleanor said that her spirits are good and that she has regained her power of speech. Tonight I sent Laura Rude a "get well card" which reads: "Dear Cousin Laura: Best wishes for a speedy recovery. Sincerely, Robert Powell."
